MEMORANDUM FOR CHAIRMAN, Ad Hoc Requirements Committee

SUBJECT: Geodetic Positioning Accuracy

STATINTL !

1. Reference memorandum [REDACTED] subject: Geodetic Control Points as Requirements, from Chairman, Ad Hoc Requirements Committee, dated 19 March 1958. 25X1A

2. The actions mentioned in paragraphs 3. b., 3. c., and 3. e. of referenced memorandum have been completed. It has been determined that, while certain of the control points are covered, there are others which are not covered.

3. Request that the covering of such of the control points as are not already covered be levied as a requirement upon Project Operations.
